California *Education Code (EC)* sections 56195 et seq. and 56205

Participating Local Educational Agencies

Participating local educational agencies (LEAs) included in the Special Education Local Plan Area (SELPA) local plan must be identified in Attachment I.

Special Education Local Plan Area—Local Plan Requirements

1. Describe the geographic service area covered by the local plan: [EC 56195.1(d); EC 56195.1(a)(1); EC 56211; EC 56212]

The West End SELPA is a multi-district SELPA on the west end of San Bernardino County. The SELPA membership includes the following Local Educational Agencies (LEA): Alta Loma Elementary, Central Elementary, Chaffey Joint Union High, Chino Valley Unified, Cucamonga Elementary, Etiwanda Elementary, Mountain View Elementary, Mt. Baldy Joint, San Bernardino County Superintendent of Schools, and Upland Unified. There are approximately 12,000 students with disabilities enrolled in the member districts, ages 0-22.

The districts range in size from approximately 100 students in a secluded mountain location to a unified district with nearly 30,000 students. There are 2 unified districts, 1 high school only district, six elementary districts, and one county office.

The districts are adjacent to Orange and Los Angeles counties on the west, and Riverside County on the south and east.

2. Describe the SELPA regional governance and administrative structure of the local plan. Clearly define the roles and structure of a multi-LEA governing body, or single LEA administration as applicable: [EC 56195.1(b)(1)-(3)(c); EC 56205(a)(12)]

SECTION II GOVERNANCE AND ADMINISTRATION

1) GOVERNING BODY (Education Code 56205(a)(12)(A), 56207.5)

The governing body of the SELPA is the Superintendents' Council. The Superintendents' Council is composed of the Superintendent of each Local Education Agency (LEA) within the SELPA. Members of the Superintendents' Council are responsible to the governing board of their respective local education agency. The San Bernardino County Superintendent of Schools serves as the Responsible Local Agency (RLA) as defined in Education Code 56030, or administrative unit as referred to in Education Code 56205(a)(12)(D)(ii). The RLA Superintendent or his/her designee serves as Chairperson of the Council. One other superintendent is selected as Vice- Chairperson. The SELPA Chief Administrative Officer serves as Secretary to the Council.

All structural changes within the organization of the SELPA, including changes in governance, are decided through deliberations of the Superintendents' Council. Each superintendent may cast one vote, if necessary, to accept or reject changes within the system. Procedures to present requests for withdrawal from or admission to the SELPA are included in Item 5 of this section, and the Bylaws (Appendix A).

Any independent charter school admitted to the SELPA shall participate in SELPA governance in the same manner as other

Section B: Governance and Administration

SELPA West End SELPA

Fiscal Year 2024-25

local educational agencies of the SELPA.

All conflicts are ultimately resolved through the same procedure delineated above. However, most concerns are managed within various committee interactions. The SELPA Advisory Council examines information related to the SELPA that is brought forward by the SELPA Chief Administrative Officer for input. If necessary, recommendations can be given to the SELPA Chief Administrative Officer for ultimate consideration by the Superintendents' Council. Voting membership on the Superintendents' Council is one vote per LEA.

2) GOVERNANCE (Education Code 56205)

Each Local Education Agency will defend and indemnify the RLA against, and will hold and save RLA, its officers, agents, and employees harmless from any and all actions, claims, damages to persons or property, penalties, obligations, or liabilities that may be asserted or claimed by any person, firm, entity, corporation, political subdivisions, or any other organization arising out of the operation or maintenance or other activities of the LEA or its agents, employees, or independent contractors under this agreement.

3) GOVERNANCE STRUCTURE AND ADMINISTRATIVE SUPPORT (Education Code 56140, 56195, 56195.1, 56195.3, 56195.5))

The local education agencies within the West End of San Bernardino County join together pursuant to Sections 56140 and 56195 of the California Education Code to adopt a plan to assure access to special education and services for all eligible individuals with disabilities residing in the geographic area served by these agencies, hereafter known as the West End Special Education Local Plan Area, West End SELPA, or WESELPA. In adopting the Local Plan, each participating agency agrees to carry out the duties and responsibilities assigned to it within the plan. Participating agencies may enter into additional contractual arrangements to meet the requirements of applicable federal and state law.

4) RESPONSIBILITY OF PARTICIPATING AGENCIES (Education Code 56195.1(b)(2), 56195.5, 56207)

In adopting the Local Plan, each participating local education agency agrees to carry out the duties and responsibilities assigned to it within the plan. Each agency shall provide special education and services to all eligible students within its boundaries, including students attending charter schools where that local education agency of the SELPA has granted that charter. In addition, each agency shall cooperate to the maximum extent possible with other agencies to serve individuals with exceptional needs who cannot be served in the local education agency of residence programs. Such cooperation ensures that a range of program options is available throughout the West End SELPA.

Any participating local education agency may provide for the education of special education students in special education programs maintained by other districts or counties, and may include within the special education program students who reside in other districts or counties.

Changes or amendments to the permanent portion of the Local Plan, which excludes Appendices only, may be considered by the Superintendents' Council. The Superintendents' Council may adopt amendments to the permanent portion of the Local Plan on an interim basis, which is not to exceed one school year. Amendments approved in this manner shall become permanent upon subsequent approval by all local education agencies governing boards and the State Board of Education.

5) WITHDRAWAL FROM SELPA (Education Code 56195.3(b))

A member LEA will cooperate with the county office and other school districts in the geographic area in planning its options under EC 56195.1 and each fiscal year, notify the California Department of Education, impacted special education local plan areas, and participating county offices of its intent to withdraw from the SELPA at least one year prior to the proposed effective date of the implementation to the alternative plan. Any such plan will be submitted to the county office for review in accordance with guidelines approved by the Superintendents' Council.

SELPA West End SELPA

Fiscal Year 2024-25

Any district initiating a proposal to withdraw from the SELPA shall bear the total cost of consultants retained by the LEA or SELPA to provide a thorough analysis of legal or fiscal implications caused by such proposed action. In addition, any due process costs associated with a withdrawal from SELPA or program transfer within the SELPA shall be born entirely by the district initiating the change.

When the local plan is revised, each LEA governing board must approve the plan in order for the district to continue as a participant in the West End SELPA. When an LEA board does not approve the plan, the LEA will have the opportunity to bring its concerns to the Superintendents' Council for review. Subsequently, the Council may determine a deadline for the LEA governing board to approve the plan or be terminated from the SELPA. If the LEA does not meet the deadline, the Council may consider this as notice to withdraw from the SELPA. If the district does not submit its intent to withdraw, the Council may notify the district and the California Department of Education of its intent to move forward with the termination.

In the event a district is terminated, the district shall bear the total cost of consultants retained by the LEA and the SELPA to provide a thorough analysis of legal or fiscal implications caused by this action. In addition, all costs, including but not limited to due process, associated with the termination from the SELPA shall be born entirely by the district being terminated.

6) PROGRAM TRANSFERS WITHIN THE SELPA (Education Code 56207)

Any LEA initiating a transfer of educational programs and services already in operation within the SELPA shall adhere to requirements under the California Education Code and the requirements described herein. In the event an LEA desires to initiate program or services transfers, a transfer planning committee made up of two SELPA Advisory Committee members and the SELPA Chief Administrative Officer shall be designated by the SELPA Chief Administrative Officer to address, at a minimum, all of the following: pupil needs, the availability of the full continuum of services to affected pupils, the functional continuation of the current IEPs of all affected pupils, the provision of service in the least restrictive environment from which affected pupils can benefit, the maintenance of appropriate support services, the assurance that there will be compliance with federal and state laws and regulations as well as SELPA policies, and the means through which parents and staff were represented in the planning process.

The day on which the transfer of programs will take effect may be no earlier than the first day of the second fiscal year beginning after the date on which the sending or receiving agency has informed the other agency and the Superintendents' Council, unless the Superintendents' Council unanimously approves the transfer take effect on the first day of the first year following the date of receipt of notification.

The approved SELPA guidelines for program transfer will be followed by SELPA staff as well as all affected agencies. Alternate dispute resolution pursuant to Education Code 56205 (d) will be utilized if either sending or receiving agency disagrees with the proposed transfer. All costs associated with due process actions will be paid by the agency initiating the program or service transfer.

7) IMPLEMENTATION OF ADMINISTRATIVE FUNCTIONS (Education Code 56195(b)(3)(c)(2), 56195.1, 56205 (a)(12)(D)(ii), 56205(a)(12)(D)(ii)(IV))

The San Bernardino County Superintendent of Schools is designated as the Responsible Local Agency (RLA) for the West End SELPA. It shall be responsible for functions such as, but not limited to:

- 1) Receipt and distribution of special education funds to district accounts for the operation of special education programs and services.
- 2) Receipt and distribution of special education funds to accounts exclusively designated for SELPA use.

SELPA West End SELPA

Fiscal Year 2024-25

The West End SELPA office is designated as the entity responsible for the administration of the Local Plan and assuring that the SELPA is in compliance with all applicable laws and regulations.

8) RESPONSIBILITIES OF SUPERINTENDENTS (Education Code 56205(a)(12)(D)(i), 56195.1, 56205(b))

The superintendents of each participating local education agency, or chief official in the case of a Charter School approved as a Local Educational Agency by the SELPA Superintendents' Council, shall be responsible for special education programs operated by the agency and for implementing all requirements of the Local Plan. The Superintendent's Council shall meet on a regular basis according to Brown Act requirements. Members of the public, including parents or guardians of individuals with exceptional needs who are receiving services under the plan, may address questions or concerns to the Superintendents' Council at a regularly scheduled meeting.

A charter school that operates as its own local education agency for special education purposes shall participate in the governance of the SELPA in the same manner as all local education agencies.

The Superintendents' Council shall be responsible for the following areas of Local Plan administration:

- 1) Selection and evaluation of the SELPA Chief Administrative Officer.
- 2) Designation of participants for the SELPA Advisory Committee.
- 3) Establishment and promotion of a Community Advisory Committee.
- 4) Establishment of the number and type of SELPA office staff employed by the SELPA for SELPA-wide services.

WEST END SELPA CHARTER SCHOOL POLICY

(Education Code 56195, 56195.1(f), 56207.5)

Provision of Special Education Services to Students Voluntarily Enrolled in Charter Schools

A. Rationale

This policy applies to all dependent charter schools that are chartered by educational entities located within West End SELPA for whom the chartering authority operates as the LEA, as well as independent charter schools designated as a LEA. Additionally, this policy applies to any charter school petition granted by the County Board of Education or State Board of Education (SBE) in which oversight responsibilities have been assigned to a district within the SELPA (EC 47605(k)(1), 47605.5). In compliance with EC 47645, the West End SELPA will treat the review and approval of a charter school's request to be an LEA in the same manner as a request from another district to join the SELPA.

As students enrolled in charter schools are entitled to special education services provided by state and federal funding, the charter schools shall follow all applicable requirements of state and federal law regarding provision of special education services (EC 56000 et seq.), Individuals with Disabilities Education Act (20 U.S.C. Chapter 33).

B. Policy Statement

Special education and related services shall be provided to all eligible individuals within West End SELPA in accordance with this Local Plan. Students enrolled in charter schools chartered within the county shall receive services in a manner similar to students enrolled in member districts within the SELPA. Funding for special education services, participation in the governance structure and responsibility for provision of services shall be based on the status of the charter school as its own LEA, or as a public school within the district/county for the purposes of providing special

SELPA West End SELPA

Fiscal Year 2024-25

education services.

All approved charter schools will be deemed as public schools within a district for the purposes of the provision of special education services, unless the charter school has been deemed an LEA.

1) SELPA Involvement with Approval and Renewal of Charters

- a. Prior to approval of a new charter or renewal of an existing charter, the superintendent or designee of the chartering entity shall consult with the SELPA Chief Administrative Officer regarding the status of the charter school. In order to be deemed an LEA, the chartering entity will provide assurances that all eligible students, including those students enrolled in the charter school, will receive appropriate special education services.
- b. A charter may be granted pursuant to EC Section 47605, 47605.5, and 47606 for a period not to exceed five years.
- c. A material revision of the provisions of a charter petition may be made only with the authority that granted the charter; a school district governing board, a county board of education, or the State Board of Education
- d. The authority that grants the charter may inspect or observe any part of the charter school at any time.
- e. Reversals and material revisions of charters shall be governed by the standards and criteria in EC 47605.
- f. A charter may be revoked by the granting authority if it is found that the charter:
 - i. Committed a material violation of any of the conditions, standards, or procedure set forth in the charter;
 - ii. Failed to meet or pursue any of the pupil outcomes identified with the charter,
 - iii. Failed to meet generally accepted accounting principles or engaged in fiscal mismanagement;

2) Status of Charter Schools - For the purposes of provision of special education services, charter schools may be deemed either an LEA or a public school within the chartering district.

a. Public School Within a School District - Charter schools that are deemed to be public schools within a district will participate in the state and federal funding in the same manner as other schools within the chartering district. The chartering district will be responsible for ensuring that all children with disabilities enrolled in the charter school receive special education and designated instructional services in a manner that is consistent with all applicable provisions of state and federal law. The district will determine the policies and procedures necessary to ensure that the protectionism of special education law extend to students in the charter school in the same manner as students in the regular program.

The chartering district will receive all applicable special education funds. The chartering district will represent the needs of charter schools, like other schools within the district, in the SELPA governance structure. The chartering district will be responsible for ensuring that all eligible students are appropriately served. The district will be responsible for procuring and funding appropriate special education services, even though the student may reside anywhere in the State of California.

The district and the charter school may enter into agreements whereby the charter school is billed for excess costs associated with providing special education services to identified students, including the administration of special education programs. The charter school should also be held fiscally responsible for a fair share of any encroachment on district general funds that is created by the provision of special education services throughout the district.

Chapter 33, Individuals with Disabilities Education Act).
- 2) The LEA governing board may require that a petition include the means by which the charter school intends to serve students with disabilities. This may include a specific reference as to whether the charter school intends to be deemed an LEA or public school for the provision of special education services.
- 3) The LEA governing board shall require that a petition contain assurances that no student will be denied admission to the charter school based on disability or lack of available services or performance levels.
- 4) Prior to approving a charter school petition, the superintendent or designee of the chartering entity may consult with the SELPA Chief Administrative Officer regarding the provision of special education services to students enrolled in the prospective charter school.
- 5) The charter petition, or an accompanying Memorandum of Understanding or Business Services Agreement, may provide for the allocation of excess costs and/or the charter school's fair share of special education encroachment on the district general fund.
- 6) Once admitted to a charter school, any special education services required by enrolled students will be provided by the district which authorized the charter if the school is deemed a public school within the district or by the charter school if deemed an LEA.
- 7) If a charter school IEP team places a student in a special education program provided by another educational entity (i.e., a COE, non-public school, non-public agency, or another district or SELPA), the charter school will be responsible for any excess costs attributable to the placement in accordance with the SELPA fiscal allocation plan. Responsibility for excess costs will rest with the placing charter school or LEA authorizing the charter school.
- 8) A district IEP team may place a student in a charter program only with agreement between responsible educational

The chartering district will represent the needs of the charter schools it authorizes that are deemed public schools of the LEA in the SELPA governance structure. The charter school will receive SELPA services in the same manner as other schools within the chartering district depending on charter school agreement or MOU with the LEA.
- 10) If the approval of a charter school requires a change in the SELPA allocation plan, such change shall be adopted pursuant to the policy making process outlined in the SELPA Local Plan.

SELPA:

Fiscal Year:

Each SELPA must adhere to requirements for developing and reporting special education budget revenue and expenditures. The following excerpt is taken from California School Accounting Manual (CSAM): Procedure 755 Special Education on page 755-1 and included to assist the SELPA with completing Section D: Annual Budget Plan information for each LEA participating in the SELPA's Local Plan.

Special education budgets are complex and are of great interest to the public, both locally and statewide. *EC* Section 56205(b)(1) requires that a special education budget shall identify particular elements. Identification of the following elements is facilitated by the standardized account code structure (SACS):

1. Apportionment received by the LEA in accordance with the allocation plan adopted by the SELPA. (The apportionment is tracked in SACS in the resource field in combination with the revenue code in the object field.)
2. Administrative costs of the plan. (These costs are tracked in the function field.)
3. Costs of special education services to pupils with severe disabilities and low-incidence disabilities. (This population is identified by the goal field.)
4. Costs of special education services to pupils with nonsevere disabilities. (This population is identified by the goal field.)
5. Costs of supplemental aids and services provided to meet the individual needs of pupils placed in regular education classrooms and environments. (Costs of these aids and services are tracked in the function field.)
6. Costs of regionalized operations and services and direct instructional support by program specialists in accordance with Part 30, Chapter 7.2, Article 6, of the California *EC*, Program Specialists and Administration of Regionalized Operations and Services. (These costs are tracked in the goal field for regionalized operations and in the function field for instructional services.)
7. Use of property taxes allocated to the SELPA pursuant to *EC* Section 2572. (Property taxes allocated to the SELPA are tracked in the resource field and identified by a revenue code in the object field.)
